
Camp History

Crossroads Soccer Camp began as a "travel player only" camp in the summer of 1992. It was renamed the "Strongsville Crossroads Soccer Camp" with over \$17,000 in profits going directly back to the Strongsville soccer program for use in capital improvements over the past four years.

This camp is proud of bringing several top professional and college coaches and players to Strongsville. The camp has reached the national spotlight with the integration of top players like Mia Hamm, Alexi Lalas, Todd Yeagley, Mike Clarke, Desmond (Desi) Armstrong and Otto Orf.

The Crossroads staff will again push the players of Strongsville to heightened levels raising the bar further skillfully and tactically.

Areas of Concentration

- Speed training
- Total skill development
- Shooting and finishing
- Breakaway finishing
- Passing and possession under pressure
- Control from the air and juggling
- Attacking and defending concepts (individual and team)
- Transition on defense
